Meine Bilder 2022

Das Jahr im Rückblick in Bildern ist
immer etwas Besonderes.

Aquarelle

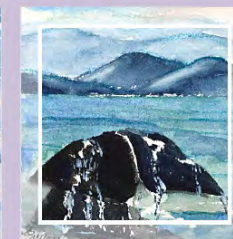

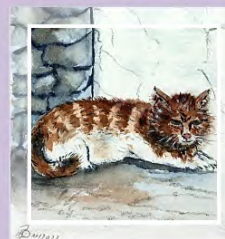

Das war wieder eine kleine
Auftragsarbeit.

Der Teufelstisch in
Rheinland -Pfalz ist auf
jeden Fall inspirierend.

Das untere Bild ist nur ein
Ausschnitt von dem
rechten Bild, wirkt aber
so viel besser.

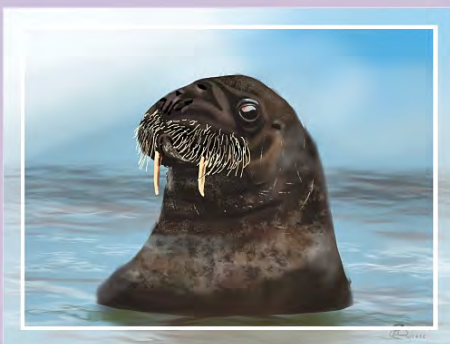

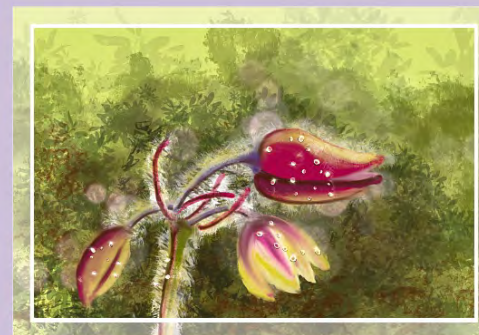

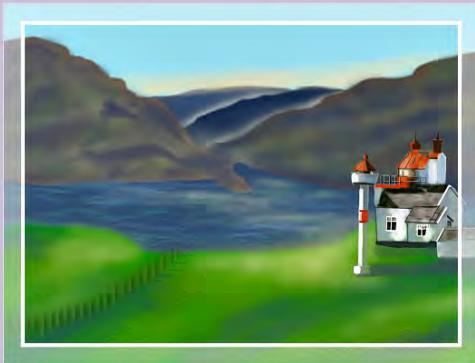

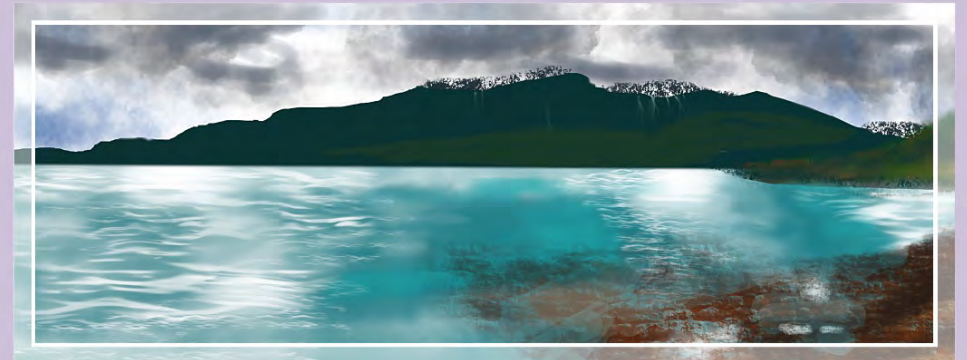

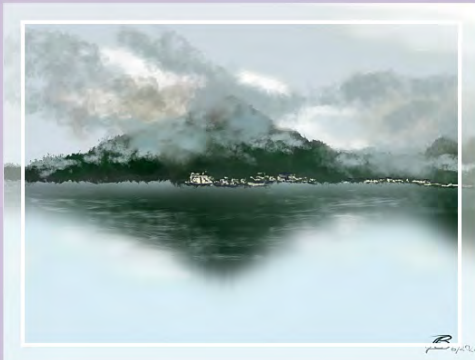

Die beiden haben sich noch aus 2021
hier hereingeschlichen.

aus dem
Skizzenbuch

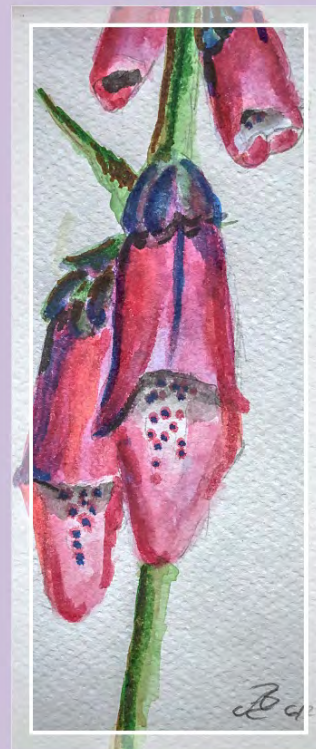

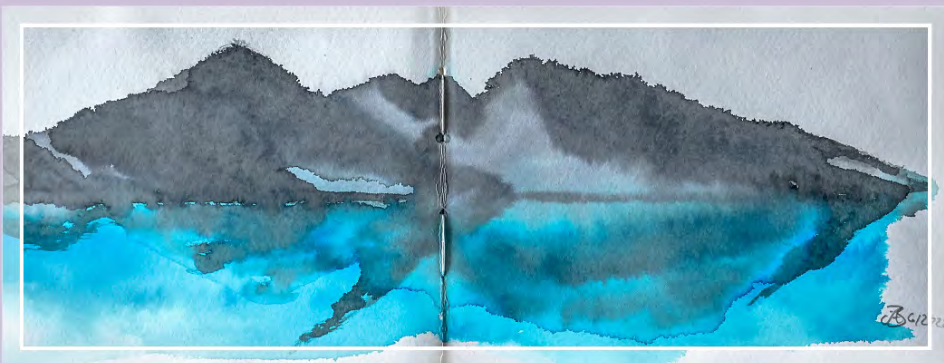

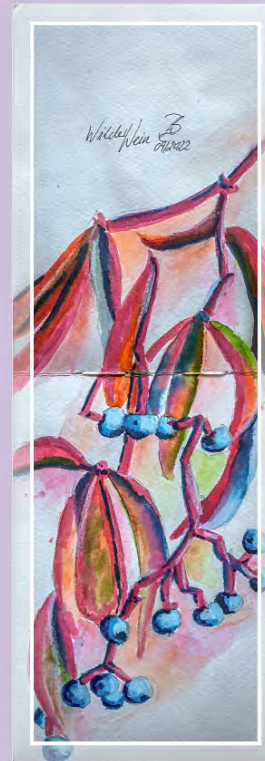

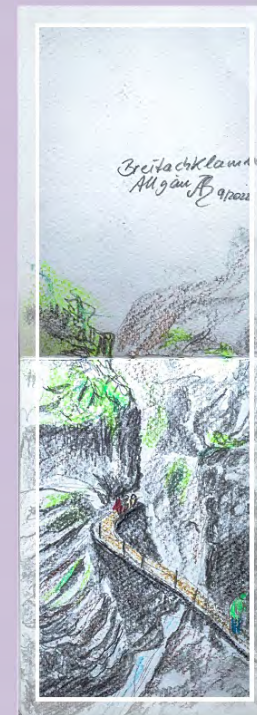

Durch Norwegen, Dänemark und quer durch Deutschland hat mich das Skizzenbuch begleitet und so werde ich mich immer an die Reisen erinnern.
